Italdesign is Top Employer for the 11th Consecutive Year: Ready to Write the Next Chapter

- A recognition that celebrates 11 years of growth and a future-focused vision

Moncalieri, January 15, 2026

For the eleventh consecutive year, **Italdesign** has been certified as a **Top Employer Italy**, an achievement that marks a journey of continuous growth and the company's ability to adapt and evolve over time. **Each assessment has become an opportunity to improve: refining processes, strengthening organizational culture, and shaping an open, dynamic, and forward-looking workplace.**

This milestone comes at a moment of significant transformation. With new challenges ahead, **Italdesign reaffirms its commitment to investing in people as the driving force of change.** Being a Top Employer means anticipating what's next and shaping the future together.

Giuseppe Savino, Chief Human Resources Officer at Italdesign, explains:
"We've never viewed this prestigious recognition as a finish line, but as motivation to keep raising the bar. We've learned a lot along the way, and now, as we enter a new chapter, we know the real value lies in growing

together, creating the conditions to attract talent and fostering dialogue as a powerful driver of innovation. Certifications, processes, and awards are tools; the real value is our ability to evolve with our people, turning change into opportunity and everyday work into a shared project.”

Reinforcing this commitment, Italdesign has earned Gender Equality Certification for the second year in a row and continues to advance its ESG strategy, integrating human-capital development, social responsibility, and sustainability more consciously than ever.
